

1987 Nordica 16'

Length: 15' 50"

Beam: 6' 17"

Draft: 1' 67" (max)

Hull: Fiberglass

Motor: 2022 Tohatsu 6 hp

Trailer: Yes

Description: Ready to use. This is a rare sailboat with a unique design. The Nordica 16 is a stable, seaworthy boat that sails as if it is a much larger boat. It handles heavy weather very well and reefing main allows it to be sailed in some of the heaviest winds. The 20" draft permits it to go most places and is ideal for snooping around various coves and inlets.

Asking: \$6999.00

Boat has cabin light, Bow light, 360-degree white pole light, Johnson bilge pump, Johnson cockpit pump with float, and 2 cigarette ports all on a bulkhead West Marine panel. The pumps use rule switches. Includes main sail and jib, mast, boom, and rigging. The sails are in very good condition; they have been well maintained and have been stored indoors in the off season. The wood trim and handles on the boat were replaced with aluminum for durability and maintenance.

Also included:

6 HP Tohatsu with external 5-gallon fuel tank and fuel line with primer ball.

Anchor, anchor chain of anchor line.

(2) new 20 ft. each spring lines.

(2) new jib lines in 2022.

(2) new 20 ft. each spring lines in 2023.

Galvanized trailer with new trailer wheels and tires in 2022.

Painted at the end of 2022 season.

Shrink wrapped in the winters.

New halyard in 2022.

Lower rudder bracket was replaced at the end of 2023 season.
